ANNUAL ACTIVITIES REPORTS OF CARADA -2021-22

Introduction

Commercial Agriculture and Rural Are Development Agency (CARADA) is a professional Social Organization started working in the District Kalahandi since 1994. The Organisation covers entire 13 block of Kalahandi district of Odisha.

Operational Area

CARADA is regularly working in Kalahandi district as its operational area and connecting the entire district under the different programme as per the requirement. Most of the operational area are inaccessible, hilly and forest areas. Economically the habitats are poor & distressed, followed by strong soul's custom & tradition.

Programme Strategy

We always believe on the community as the key stake holder, who will create a change in the society. When community ownership will develop & a self confident mindset will increase, then only. We can bring back a remarkable change in these areas. The system & political policies has change the mind set & prepared the community towards govt. depending in these areas, so approach of ownership with demonstration programme can only open up the eye & vision. Therefore any programme we have undertaken are comparing from the core of the community as per the need base and apprise.
