ANNUAL ACTIVITIES REPORTS 2023-24

Introduction

Commercial Agriculture and Rural Area Development Agency (CARADA) is a professional Social Organization started working in the District Kalahandi since 1994, and covers the entire district with headquarters at Bhawanipatna.

The Area

The KBK District Kalahandi has consisting of 2 subdivision & 13 blocks. There are 273 Gram panchayat consisting of 2068 revenue villages. It has population of 1335494 out of which Male are 667526 & female are 667968. The rate of literacy is 46.2 % as a whole where as the literacy rate of male is 62.88 % & female literacy is 29.56% as per our record is indicating . The S.C. Population is 236019 & ST. Population is 382573 In the district mainly the education & literacy is very low in the community of the SC & ST.

Operational Area

CARADA is regularly working in Bhawanipatna, Th.Rampur, M.Rampur ,Narla, Kesingalanjigarh ,Junagarh, JaipatnaGolamunda& others Block as its operational area and connecting the entire district under the different programme head as per the requirement. Most of the operational area are inaccessible, hilly and forest areas. Economically the habitats are poor & distressed, followed by strong soul's custom & tradition.

Programme Strategy

We always believe on the community as the key stake holder, who will create a change in the society. When community ownership will develop & a self confident mindset will increase, then only. We can bring back a remarkable change in these areas, The system & political policies has change the mind set & prepared the community towards govt. depending in these areas, so approach of ownership with demonstration programme can only open up the eye & vision, Therefore any programme we have undertaken are comparing from the core of the community as per the need base and apprise.

During the year 2023-24 CARADA Conducted following key activities in Kalahandi district of Odisha with the support of different Agency /Individuals /State /Center Govt /Corporation.
